AUTOMATIC FIRE SPRINKLER CONTRACTOR LICENSE

Application and Exam Fee (nonrefundable): \$125.00 class code 7630

Make checks payable to: Department of Commerce. The fee consists of a \$25 application fee and an exam fee of \$100. When the exam is passed, the applicant will be asked to pay a \$1000 credential fee which will be prorated because the credential expires on a specific date. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for 2 years from June 30th. Office location: 201 W. Washington Ave, Madison. Mailing address: PO Box 7082, Madison, WI 53707.

Reason for Credential: Pursuant to ss. 145.15 (4), 145.165 and 145.175, Stats., no person may install, maintain or repair automatic fire sprinkler systems unless the persons holds a credential issued by the department as a licensed automatic fire sprinkler contractor, a licensed journeyman sprinkler fitter, a registered automatic fire sprinkler system apprentice, a registered automatic fire sprinkler contractor-maintenance, or a registered automatic fire sprinkler fitter-maintenance. No credential is required if a person is

No person may conduct the annual activities relative to inspection and testing of an existing automatic fire sprinkler system and components as required by ch. Comm 14 unless the person holds a credential issued by the department as a licensed automatic fire sprinkler contractor, a licensed journeyman sprinkler fitter, a registered automatic fire sprinkler system apprentice, a registered automatic fire sprinkler contractor-maintenance, a registered automatic fire sprinkler fitter-maintenance or a registered automatic fire sprinkler system tester.

For any construction or installation that requires a uniform building permit under s. Comm 20.08, persons, entities, or businesses which hold licenses, certifications, or registrations as identified in Comm 5 may not commence construction or installation until a permit is issued.

- At least 1,000 hours of experience per year for at least 3 consecutive years as a licensed journeyman automatic fire sprinkler fitter.
- Graduated from an accredited 4-year university or college with a degree in civil engineering, mechanical engineering or other approved engineering curriculum related to automatic fire sprinklers.
- At least 1,000 hours of experience per year for at least 7 years in automatic fire sprinkler design or installation. Each semester spent full-time in a school of civil or mechanical engineering or other accredited college, university, technical or vocational school in an automatic fire sprinkler-related program shall be considered equivalent to 500 hours of experience, with no more than 3,000 hours and 3 years of experience through education being credited toward the 7 years of experience.
- A level III certification in fire protection/automatic fire sprinkler system layout from the national institute for certification in engineering technologies. Attach a copy of the certificate.

[illegible]

For each semester in a school for civil engineering or mechanical engineering or other approved engineering curriculum related to automatic fire sprinklers, specify the beginning and ending date of the semester, record 500 hours of experience, write the name of the school, and **ATTACH** a copy of the official transcripts from the school to this form. Photocopies of transcripts will not be accepted. No experience hours should be recorded if official transcripts are unavailable. This must be full-time schooling, not part time or evening classes.

Time Period		Experience Hours	Name of School
Began Month/Yr	Ended Month/Yr		

Examination: In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover information contained in chapters Comm 5 and 82.41, Wisconsin Administrative Code; and NFPA standards 13 (2002 edition), 13R (2002 edition), 14, 15 (2001 edition), 20 (1999 edition), 22 (1998 edition), and 25 (2002 edition) of the National Fire Protection Association; and Friction Loss Tables; 2000 IBC and WI Comm 61-65 Amendments. This exam is open book. Copies of current Wisconsin Administrative Code books may be obtained from Document Sales @ (608) 266-3358 or @ (800) 362-7253. NFPA standards may be ordered from the National Fire Protection Association @ (800) 344-3555.

To schedule an exam:

- In the table below circle the month you would like to take the exam and the city in which you would like to take the exam. Record a telephone number where you can be reached during the day in case the exam center is filled for that date. The department will attempt to call and offer exams at available sites or dates.
- Submit the **FEE AND THIS APPLICATION** with the month and city circled for the exam to the division **at least 30 days in advance of the exam date chosen**. Note you may wish to keep a copy of this letter for your records.

Exam Name:	This is a 5-hour exam and will be scheduled for the a.m.		
Circle the exam location of your choice below. Then below the location, circle the day you would prefer to take the exam.

Education Hours Required to Renew: The renewal of a license as an automatic fire sprinkler contractor shall be contingent upon the person obtaining at least 12 hours of acceptable continuing education by March 31 of the year their credential expires. A person who holds a license as an automatic fire sprinkler contractor may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.
